PHOTOS BY ATTILA KISS

## PRESS NOTE

Attila Kiss devotes his first photo book to the boys of his hometown. In „Boys from Budapest“ thirteen men from the city on the Danube aren't afraid to show everything. The protagonists are young, beautiful and, above all, unashamed. Attila Kiss lets them shine as they flirt and play for the camera. Every picture in this book is a declaration of love: to the male body; to the charm of the city; and above all, to the boys from Budapest.

“His portrayal of models blends subtle sensuality with a touch of cheeky elegance—reminiscent of the title character from Maupassant's ‘Bel-Ami’: the cosmopolitan ‘pretty boy’ who is keenly aware of his own charm. This character comes to life in Attila's images, giving them a narrative quality that captivates the viewer.”
