

OHM PHANPHIROJ

DESIRE

STRAIGHT MEN IN MY BEDROOM

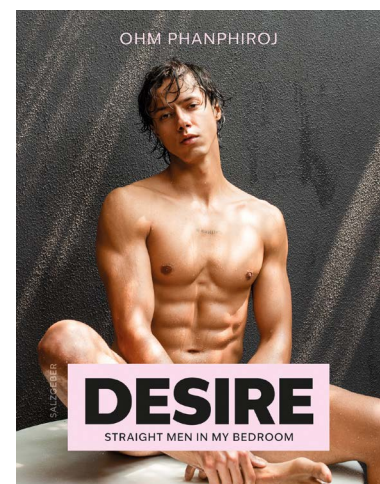

PRESS NOTE

Ohm Phanphiroj desires heterosexual men—despite or perhaps because of their unattainability. He invited eleven of his young friends from Europe and the USA into his bedroom and photographed them. This book is dedicated to them.

“Desire can be explored, but it cannot be fixed in time. It is an ephemeral experience, never to be entirely captured. Ohm Phanphiroj’s eye for the play of light over delectable bodies allows us to understand this. While the photographs depict different scenarios and possess different qualities, this play is nevertheless a unifying aesthetic. Sun-kissed bodies and tender views are shaped by an ethereal light. If desire is to be apprehended this is only temporal. Movement, dynamism, and the very unpredictability of time characterize many of the photographs.”
